The Society is very grateful to the Museo Nazionale Romano, and its Director, Dr Daniela Porro, for generously supporting the meeting through hosting it on their premises.

The British Epigraphy Society exists to promote the study of inscriptions, texts and historical documents in Greek, Latin and other languages, and was established at a meeting in London on 16 November 1996 as an independent 'chapter' of the Association Internationale d'Epigraphie Grecque et Latine (A.I.E.G.L.). It is a registered charity (no. 1090249).
